River View Estates welcomes you to view this virtual tour showcasing 6 large building lots that encompass this new subdivision. For your convenience, we have included two 360 degree panoramas providing an overall view of the land. They say a picture is worth a thousand words. In this case they are worth a million. The famous Missouri River meanders in front of the land. Historians have recorded Lewis and Clark camping nearby during their travels. Beyond the river is the town of Townsend that also has a story to tell. Shopping in Townsend is less than 5 miles away. To the northeast lies Canyon Ferry Lake extending for 27 miles north. This recreational area is well known for ice fishing, boating, sailing, camping, and a variety of water activities. Several marinas support the lake. The farthest point of view is Mount Baldy to the east. The contour of the land varies adding dimension to the terrain. Covenants do not permit manufactured homes, modular homes, or livestock. Be the first to take advantage of this Montana lifestyle under the Big Sky. Call Janet at 406-439-4521 or Julie at 406-461-0871 for more specific details.
